

## Cookie Usage Policy

### 1. Introduction

1.1 Our website uses cookies.

1.2 In cases where cookies are not strictly necessary for the provision of our website and its services, we request your consent to their use upon your first visit.

### 2. About cookies

2.1 A cookie is a file containing a unique identifier (a string of letters and numbers) that is sent by the web server to the web browser and stored by the browser. Each time a page request is made, the browser sends this identifier back to the server.

2.2 Cookies can be "permanent" or "session" cookies:

A permanent cookie is stored in the browser and remains valid until the expiration date, unless the user deletes it earlier.

The session cookie is deleted when the browser is closed, that is, at the end of the user session.

2.3 Cookies, as a rule, do not contain personal information identifying the user, however, the personal data that we store about you may be related to the information obtained from the cookie.

### 3. Cookies used by our service providers

3.1 Our service providers also use cookies that may be stored on your computer when you visit our website.

3.2 We use Google Analytics to analyze website traffic. Google Analytics collects data using cookies. The information received is used to compile reports on the use of the site. The Google Privacy Policy can be found at : <https://www.google.com/policies/privacy> The corresponding cookies are: \_ga, \_gid, \_gat\_gtag\_UA-8694741-2.

### 4. Cookie Management

4.1 Most browsers allow you to refuse the use of cookies and delete those that have already been saved. The methods may vary depending on the browser and its version. You can find up-to-date information at the links:
